The COVID-19 pandemic has forced many to change the way we work.

To accommodate this "New Normal", we understand the difficulty from working from home. Often without privacy, office equipment, nor proper security measures.

We are currently offering a promotion for those wanting a comfortable work environment.

Serviced Apartments are fully furnished apartments available from 1 month. Just bring your belongings and live at your new home from day 1!

Valid for both corporate and individual contracts. Payment by credit card is available.

Highly recommended for  
People who

- Want to reduce daily commute and live closer to the office.
- Work long hours.
- Want a private room for Online Meetings
- Don't have a great work environment at home.
